

GERMAN-AMERICAN MEN'S CLUB OF MIDDLE FRANCONIA

To: The Members of the Club

20. August 2015

Dear Friends,

A busy month of club events lies behind us:

On 03.07.2015 about 10 members took part in the Independence Day Party of the DAI at the Tuschenschloss in Nürnberg. Again this year it was nice opportunity of exchange with the other German-American Groups of the Nürnberg Region and to say a cordial farewell to our Munich Consul General William E. Moeller who is leaving to Washington.

On 19.07.2015 our president Marco Frömter guided 20 participants (only two of them were GAMC members) through the converted post of the US Army and explained the changes, adding some private experiences. After the tour we saw a very interesting demonstration of a gold-beater in the Stadtmuseum. ("[Nürnberger Nachrichten](#)") gave an extensive report on 27.07.15). Thanks Marco for your efforts in preparing and conducting this event.

On 28.07.2015 Mrs. Kerstin Trimble presented her book "Transgression" at Chong's Restaurant at the Golf Park Fürth. The story tells about an unequal German-American couple fighting for their difficult love around the Merrell Barracks in the 1950s, and a gang of genuine Nuremberg "Frecker" whose forays into the post-war city engage them in precarious cloak and dagger operations. 5 Members had a great evening with Kerstin Trimble. Our thanks go to her and to Bernd Jesussek who organized the meeting.

The next Club-event will be our traditional wine tasting. In view of the low participation in last year's bus trip and after some pre-evaluations of this year's participation the Board came to the conclusion to modify the concept:

We will have a "Weinprobe" with "Häckerbrotzeit" at Norbert and Uli Friemelt's "Weinlaube" in Fürth-Stadeln.

So you are cordially invited to our

Weinprobe mit Pfälzer Wein

on Saturday,

12. September 2015, 18:00h

at **Sudetenstraße 2**
90765 Fürth-Stadeln.

2012er Leistadter Portugieser Rose

2013er Dürkheimer Feuerberg --- Dornfelder Rotwein ---

2014er Leistadter --- Riesling halbtrocken ---
